

## LAW OF THE REPUBLIC OF UZBEKISTAN

### ABOUT THE STATE BUDGET OF THE REPUBLIC OF UZBEKISTAN FOR 2021

Adopted by the Legislative Chamber on  
December 1, 2020 Approved  
by the Senate on December 18, 2020

#### Chapter 1. General rules

##### Article 1. Purpose of this Law

The purpose of this Law is to regulate relations related to the formation and implementation of the consolidated budget of the Republic of Uzbekistan for 2021.

##### Article 2. Use of funds allocated from the republican budget of the Republic of Uzbekistan for those who distribute first-level budget funds

The funds allocated from the republican budget of the Republic of Uzbekistan (hereinafter referred to as the republican budget) according to this Law will be used only during the 2021 fiscal year and will not be transferred to the next fiscal year.

Allocators of first-level budget funds, in agreement with the Cabinet of Ministers of the Republic of Uzbekistan (hereinafter referred to as the Cabinet of Ministers), transfer the funds allocated for the implementation of state programs for the development of the sector (hereinafter referred to as the development programs) within their current budget from one development program to another development program. right to share.

The internal audit service of the ministries and departments analyzes the results of the effectiveness of the relevant development programs and submits reports on the results of the analysis to the Ministry of Finance of the Republic of Uzbekistan by the 20th of the month following the reporting quarter.

In order to ensure the timely implementation of the decisions of the Oliy Majlis of the Republic of Uzbekistan, the President of the Republic of Uzbekistan and the Cabinet of Ministers, which take into account the first priority measures to mitigate the negative impact of the coronavirus pandemic and the global crisis on the economic sectors, the Cabinet of Ministers, by way of exception, in Article 145 of the Budget Code regardless of the considered amounts, for the allocation of first-level budget funds for the allocation of funds allocated from the republican budget for capital investments for the design, construction (reconstruction) and equipment of objects (for the implementation of the social and production infrastructure development program of the Republic of Uzbekistan) for the distribution of other first-level budget funds for these purposes has the right to spend.

#### Chapter 2. Parameters of the consolidated budget of the Republic of Uzbekistan

##### Article 3. Revenues and expenses of the consolidated budget of the Republic of Uzbekistan

The overall parameters of the consolidated budget of the Republic of Uzbekistan for 2021 and the budget targets for 2022-2023 in accordance with Appendix 1, the forecast of the main macroeconomic indicators of the development of the Republic of Uzbekistan for 2021 and the targets for 2022-2023 in accordance with Appendix 2, which are the basis for their preparation, should be accepted for information.

##### Article 4. Forecast of revenues and expenses of the state special funds and the Reconstruction and Development Fund of the Republic of Uzbekistan

The revenue forecast of the state special purpose funds and the Reconstruction and Development Fund of the Republic of Uzbekistan for 2021 should be accepted for information and their expenses should be approved in accordance with Appendix 3.

##### Article 5. Forecast of revenues and expenses of the budget of the Republic

The revenue forecast of the republican budget for 2021 should be accepted for information in accordance with Annex 4.

For 2021, the limited amounts of funds allocated from the republican budget to allocators of the first -level budget funds should be approved in accordance with Appendix 5 .

A part of the funds from the extra-budgetary funds of state power and management bodies, courts and prosecutor's offices due to taxes, state duties, fees and non-tax payments, administrative fines and financial sanctions may be transferred to the republican budget based on the decisions of the President of the Republic of Uzbekistan and the Cabinet of Ministers.

## **Article 6. Revenue and expenditure forecasts of the budget of the Republic of Karakalpakstan, regional and local budgets of Tashkent city**

The revenue and expenditure forecasts of the budget of the Republic of Karakalpakstan, regions and local budgets of Tashkent city for 2021 should be accepted for information in accordance with Appendix 6 .

For 2021, the amounts of inter-budgetary transfers allocated from the republican budget to the republican budget of the Republic of Karakalpakstan and to the regional budgets of the regions should be approved in accordance with the 7th appendix.

It is not allowed to reduce the amount of regulatory inter-budgetary transfers provided for in this Law, regardless of the implementation of the forecast of the revenues of the republican budget of the Republic of Karakalpakstan and regional budgets of the regions.

## **Article 7. Some payment rates**

For 2021:

The minimum rates of rent for natural persons leasing property are in accordance with Appendix 8 (for taxation purposes);

limited rates of fees charged for the right to retail trade with certain types of goods are in accordance with Appendix 9 ;

Motor vehicle toll rates should be approved in accordance with Appendix 10 .

The rates of customs duties used for importing goods into the territory of the Republic of Uzbekistan are approved by the decision of the President of the Republic of Uzbekistan.

## **Article 8. Formation of reserve funds of the Cabinet of Ministers, the republican budget of the Republic of Karakalpakstan, the budgets of the regions, the budgets of the city of Tashkent, the budgets of districts and cities.**

The amount of the reserve fund of the Cabinet of Ministers for 2021 is 903.4 billion. should be specified in the amount of soums.

Reserve funds for 2021 of the republican budget of the Republic of Karakalpakstan, the regional budgets of the regions and the budget of the city of Tashkent, the budgets of districts and cities will be formed in the amount of at least 1.0% of the approved total expenses of the respective budgets.

In the event that the amount of inter-budgetary transfers allocated to the republican budget of the Republic of Karakalpakstan, the regional budgets of the regions and the budget of the city of Tashkent, the budgets of the districts and cities exceeds the amount allocated to them, the determined amounts of the reserve funds of the respective budgets shall not be revised.

In the event that funds are allocated from the reserve fund of the Cabinet of Ministers, no changes will be made to this Law.

## **Article 9. Ensuring the stability of the budget system of the Republic of Uzbekistan in 2021**

In the event that the income forecasts for the six-month implementation of the budgets of the current budget system of the Republic of Uzbekistan have not been fulfilled and there are no sufficient grounds for their arrival by the end of the fiscal year:

reduction of expenses in the amount of 3% or more of the total expenses of the republican budget by the chambers of the Oliy Majlis of the Republic of Uzbekistan at the proposal of the Cabinet of Ministers;

reduction of expenses in the amount of less than 3% of the total expenses of the republican budget is carried out on the basis of the decision of the Cabinet of Ministers at the proposal of the

Ministry of Finance of the Republic of Uzbekistan.

Decisions on reducing the expenses of the republican budget of the Republic of Karakalpakstan, the regional budgets of the regions and the budget of the city of Tashkent, the budgets of districts and cities are adopted by the Supreme Council of the Republic of Karakalpakstan, the People's Deputies of the regions and the Councils of Tashkent city, districts and cities, respectively.

In reducing budget expenditures, appropriation of budget funds by budget organizations and recipients of budget funds, as well as accepted legal and financial obligations are taken into account.

### **Article 10. Determining the limited volume of the state debt received on behalf of the Republic of Uzbekistan and under the guarantee of the Republic of Uzbekistan**

The amount of the state debt raised on behalf of the Republic of Uzbekistan and under the guarantee of the Republic of Uzbekistan should not exceed 60% of the annual forecast indicator of the gross domestic product.

For 2021, the limited net volume of new agreements to be signed annually on behalf of the Republic of Uzbekistan (the government of the Republic of Uzbekistan) and under the guarantee of the Republic of Uzbekistan to attract domestic and foreign loans is 5.5 billion. USD, from which 2.2 billion will be used to finance the state budget deficit. US dollars (including government securities - 5 trillion soums), for financing investment projects - 3.3 billion. Specify the amount in US dollars.

Starting from 2021, the expenses for social and infrastructure projects carried out on behalf of the Republic of Uzbekistan or under the guaranty of the Republic of Uzbekistan will be reflected in the expenses of the consolidated budget of the Republic of Uzbekistan.

### **Article 11. Determining the limited amount of the deficit of the consolidated budget of the Republic of Uzbekistan**

*See previous edit.*

The limited amount of the deficit of the consolidated budget of the Republic of Uzbekistan for 2021 should be set at 6.5% of the gross domestic product.

*(The text of Article 11 is amended by the Law of the Republic of Uzbekistan No. ORK-738 of December 22, 2021 - National Legislative Data Base, 12/23/2021, No. 03/21/738/1184 )*

## **Chapter 3. Peculiarities of regulating budget relations**

### **Article 12. Specific features of revenue formation of the budget of the Republic of Karakalpakstan, local budgets of regions and Tashkent city, budgets of districts and cities for 2021**

The following types of taxes are transferred to the district and city budgets in full:

property tax collected from natural persons;

land tax collected from natural persons;

income tax collected from individuals who pay on the basis of the annual income declaration from leasing property belonging to natural persons, as well as paid by individual entrepreneurs;

tax for the use of water resources, excluding the tax paid by power plants;

tax for the use of the ground for construction materials.

The following will be transferred in full to the republican budget of the Republic of Karakalpakstan, to the regional budgets of the regions and to the city budget of the city of Tashkent:

tax imposed on the property of legal entities;

land tax collected from legal entities;

tax for the use of water resources paid by power plants;

excise tax on sale of gasoline, diesel fuel and gas to final consumers;

turnover tax;

state duties in the amounts established by legislation (except for patent duties and state duties for issuing licenses);

finances charged to the State budget of the Republic of Uzbekistan in the amounts established by legislation;

fees for the right to retail trade of certain types of goods;

other fees charged to the State budget of the Republic of Uzbekistan in the amounts established by legislation (except for the fees charged by customs authorities and the disposal fee charged for wheeled vehicles, trucks and their attachments);

fees for the purchase of motor vehicles and (or) temporary entry into the territory of the Republic of Uzbekistan;

proceeds from the sale of property, dividends (income) and allocations according to the share of local government bodies, which are transferred to the state income in the amounts determined by the legislation;

revenues received from the placement, use (lease) and sale of state assets in accordance with the norms established by the legislation;

revenues from excise tax for mobile communication services and alcohol products, including beer, as of July 1, 2020, according to the share of the population of the Republic of Karakalpakstan, regions and the city of Tashkent in the population of the republic.

In the following shares to the republican budget of the Republic of Karakalpakstan, the regional budgets of the regions and the city budget of the city of Tashkent:

62% of income tax revenues from natural persons (excluding income tax paid by natural persons based on the declaration of annual income from leasing property, as well as paid by individual entrepreneurs) in Navoi region, 45% in Tashkent region, 5% in Tashkent city, Karakalpakstan 100 percent in the Republic of Kazakhstan and other regions;

45% of income from profit tax (except for the profit tax paid by large taxpayers according to the list approved by the decision of the President of the Republic of Uzbekistan, by non-residents of the Republic of Uzbekistan operating through a permanent establishment in the Republic of Uzbekistan, as well as from the withheld income of non-residents) in the Tashkent region, 45% in the city of Tashkent 5 percent, 100 percent in the Republic of Karakalpakstan and other regions.

The Supreme Council of the Republic of Karakalpakstan, People's Deputies of the regions, Tashkent City Councils:

to distribute taxes and other types of income (including the income specified in the first and [second parts](#) of this article) and [inter](#) -budget transfers allocated to local budgets of the appropriate level;

has the right to give a part of the funds obtained from exceeding the revenue forecast to the budgets of districts and cities for the implementation of social and economic development programs of the regions.

Councils of People's Deputies of districts and cities have the right to introduce coefficients increasing to the minimum rates for rent payments in certain areas of districts and cities specialized in mass recreation and (or) tourism, as well as fixed amounts of income tax collected from individuals paid by individual entrepreneurs, up to the amounts established for the city of Tashkent.

If the legislation does not take into account the allocation of revenues to local budgets, this type of revenue will be transferred to the republican budget of the Republic of Karakalpakstan, the regional budgets of the regions, and the city budget of Tashkent city.

By July 1, 2021, state enterprises and legal entities with a state share of 50% or more in the charter capital shall pay not less than 50% of their net profit according to the state budget of the Republic of Uzbekistan and state share dividends in 2021. It will be transferred to the budgets of the relevant level no later than September 1.

The Ministry of Finance of the Republic of Uzbekistan has the right to determine the amount and frequency of payment of dividends (distributions from net profit) for 2021 by state enterprises and legal entities with 50% or more state share in the charter capital in the manner established by legislation.

## **Article 13. Peculiarities of implementation of State budget expenditures of the Republic of Uzbekistan in 2021**

Financing of additional measures implemented at the initiative of local government bodies is carried out only at the expense of additional resources of the budget of the Republic of Karakalpakstan, regions and local budgets of Tashkent city, districts and cities.

The Council of Ministers of the Republic of Karakalpakstan, the regions and the administrations of Tashkent city, districts and cities form their respective budgets, taking into account the planning of the wages and the equivalent payments, food, medicine and utilities.

At the end of the quarter, if the forecast indicators of the income listed in Annex 6 of this Law are not fulfilled by more than 5%, regardless of the activities of the local executive authorities, and there is no possibility of receiving these funds by the end of the fiscal year, the Council of Ministers of the Republic of Karakalpakstan, the Cabinet of Ministers of the regions and Tashkent city governments for the approval of expenses. along with the measures taken, the regulator will apply to increase the amount of inter-budget transfers, and this proposal will be considered by the Cabinet of Ministers in the manner established by this Law. District and city governments apply to the Council of Ministers of the Republic of Karakalpakstan, regions and Tashkent city governments in the same manner.

In 2021:

Expenditures on capital expenditures for the design, construction (reconstruction), capital repair and equipment of general education institutions, pre-school educational organizations, healthcare institutions and drinking water supply system facilities of the city of Tashkent are financed from the city budget of the city of Tashkent;

Construction, reconstruction and complete repair of general educational institutions, pre-school educational institutions, health care institutions of the Republic of Karakalpakstan, as well as the expenses related to the repair and restoration of facilities within the framework of measures to improve the meliorative condition of irrigated lands are financed from the republican budget of the Republic of Karakalpakstan.

Starting from 2021, the prices (tariffs) for heat supply services provided by all heat energy supply companies in the regions will be regulated according to the conclusions of the territorial bodies of the Anti-Monopoly Committee of the Republic of Uzbekistan, as well as the decisions of the Supreme Council of the Republic of Karakalpakstan, People's Deputies of the Regions and Tashkent City Councils. approved by the Chairman of the Council of Ministers of the Republic of Karakalpakstan, governors of regions and Tashkent city.

According to the results of the revision of the prices (tariffs) regulated for heat supply services during the year, the demand for additional funds to compensate the losses suffered by the heat supply enterprises as a result of the application of reduced tariffs to the population of the republican budget of the Republic of Karakalpakstan, regional budgets and the budget of the city of Tashkent covered by additional resources.

## **Chapter 4. Ensuring the transparency of the implementation of the consolidated budget of the Republic of Uzbekistan**

### **Article 14. Ensuring transparency of the budget process**

Allocators of first-level budget funds, state special purpose funds, the Reconstruction and Development Fund of the Republic of Uzbekistan shall submit their quarterly results to their official websites no later than the 25th of the month following the quarter:

- distribution of funds among budget organizations under their control;
- periodic financial reports;
