

## LAW OF THE REPUBLIC OF UZBEKISTAN

### ABOUT THE STATE BUDGET OF THE REPUBLIC OF UZBEKISTAN FOR 2022

Adopted by the Legislative Chamber on  
November 26, 2021 Approved by  
the Senate on December 15, 2021

#### Chapter 1. General rules

##### Article 1. Purpose of this Law

The purpose of this Law is to regulate relations related to the formation and implementation of the consolidated budget of the Republic of Uzbekistan for 2022.

##### Article 2. Use of funds allocated from the republican budget of the Republic of Uzbekistan for those who distribute first-level budget funds

The funds allocated from the republican budget of the Republic of Uzbekistan (hereinafter referred to as the republican budget) according to this Law will be used only during the 2022 fiscal year and will not be transferred to the next fiscal year.

Allocators of first-level budget funds, in agreement with the Cabinet of Ministers of the Republic of Uzbekistan (hereinafter referred to as the Cabinet of Ministers), transfer the funds allocated for the implementation of state programs for the development of the sector (hereinafter referred to as the development programs) within their current budget from one development program to another development program. right to share.

Allocators of the first-level budget funds have the right to direct up to 10% of the limited amount of budget funds allocated to them from the budget of the Republic of Karakalpakstan to subordinate organizations financed from the budgets of the regions and the city of Tashkent based on the decision of the Cabinet of Ministers.

The internal audit service of the ministries and departments analyzes the results of the effectiveness of the relevant development programs and submits reports on the results of the analysis to the Ministry of Finance of the Republic of Uzbekistan by the 20th of the month following the reporting quarter.

Funds allocated in the form of grants from foreign sources (from foreign countries, international organizations, international financial and economic institutions, financial organizations of foreign governments) in order to support the financing of socially important national state programs, as well as projects related to the formation of production and non-production infrastructure the amounts and areas of which are determined to be allocated to first-level budget funders, with the exception of the grant funds provided by the government of the Republic of Uzbekistan under the conditions (possibilities) of independent determination, will be increased without making any changes to this Law.

#### Chapter 2. Parameters of the consolidated budget of the Republic of Uzbekistan

##### Article 3. Revenues and expenses of the consolidated budget of the Republic of Uzbekistan

The overall parameters of the consolidated budget of the Republic of Uzbekistan for 2022 and the budget targets for 2023-2024 in accordance with Appendix 1, the forecast of the main macroeconomic indicators of the development of the Republic of Uzbekistan for 2022 and the targets for 2023-2024 in accordance with Appendix 2, which are the basis for their preparation, should be accepted for information.

##### Article 4. Forecast of revenues and expenses of the state special funds and the Reconstruction and Development Fund of the Republic of Uzbekistan

The revenue forecast of the state special purpose funds and the Reconstruction and Development Fund of the Republic of Uzbekistan for 2022 should be accepted for information and their expenses should be approved in accordance with Appendix 3.

##### Article 5. Forecast of revenues and expenses of the budget of the Republic

The revenue forecast of the republican budget for 2022 should be accepted for information in accordance with Annex 4.

For 2022, the limited amount of funds allocated from the republican budget to allocators of first -level budget funds should be approved in accordance with Appendix 5.

A part of the funds from the extra-budgetary funds of state power and management bodies, courts and prosecutor's offices due to taxes, state duties, fees and non-tax payments, administrative fines and financial sanctions may be transferred to the republican budget based on the decisions of the President of the Republic of Uzbekistan and the Cabinet of Ministers.

#### **Article 6. Revenue and expenditure forecasts of the budget of the Republic of Karakalpakstan, regional and local budgets of Tashkent city**

The revenue and expenditure forecasts of the budget of the Republic of Karakalpakstan, regional and local budgets of Tashkent city for 2022 should be accepted for information in accordance with Annex 6.

For 2022, the amounts of inter-budgetary transfers allocated from the republican budget to the republican budget of the Republic of Karakalpakstan and to the regional budgets of the regions should be approved in accordance with the 7th appendix.

It is not allowed to reduce the amount of regulatory inter-budgetary transfers provided for in this Law, regardless of the implementation of the forecast of the revenues of the republican budget of the Republic of Karakalpakstan and regional budgets of the regions.

#### **Article 7. Some payment rates**

For 2022:

The minimum rates of rent for natural persons leasing property are in accordance with Appendix 8 (for taxation purposes);

limited rates of fees for the right to retail trade with certain types of goods are in accordance with Appendix 9;

the rates of fees for foreign vehicles entering the territory of the Republic of Uzbekistan and transiting through its territory should be approved in accordance with Appendix 10.

The rates of customs duties used for importing goods into the territory of the Republic of Uzbekistan are approved by the decision of the President of the Republic of Uzbekistan.

#### **Article 8. Formation of reserve funds of the Cabinet of Ministers, the republican budget of the Republic of Karakalpakstan, the budgets of the regions, the budgets of the city of Tashkent, the budgets of districts and cities.**

The amount of the reserve fund of the Cabinet of Ministers for 2022 should be set at 708.9 billion soums.

Reserve funds for 2022 of the republican budget of the Republic of Karakalpakstan, the regional budgets of the regions, and the budget of the city of Tashkent, the budgets of districts and cities will be formed in the amount of at least 1.0% of the approved total expenses of the respective budgets.

In the event that the amount of inter-budgetary transfers allocated to the republican budget of the Republic of Karakalpakstan, the regional budgets of the regions and the budget of the city of Tashkent, the budgets of the districts and cities exceeds the amount allocated to them, the determined amounts of the reserve funds of the respective budgets shall not be revised.

In the event that funds are allocated from the reserve fund of the Cabinet of Ministers, no changes will be made to this Law.

#### **Article 9. Ensuring the stability of the budget system of the Republic of Uzbekistan in 2022**

In the event that the income forecasts for the six-month implementation of the budgets of the current budget system of the Republic of Uzbekistan have not been fulfilled and there are no sufficient grounds for their arrival by the end of the fiscal year:

reduction of expenses in the amount of 3% or more of the total expenses of the republican budget by the chambers of the Oliy Majlis of the Republic of Uzbekistan at the proposal of the

Cabinet of Ministers;

reduction of expenses in the amount of less than 3% of the total expenses of the republican budget is carried out based on the decision of the Cabinet of Ministers at the proposal of the Ministry of Finance of the Republic of Uzbekistan.

Decisions on reducing the expenses of the republican budget of the Republic of Karakalpakstan, the regional budgets of the regions and the budget of the city of Tashkent, the budgets of districts and cities are adopted by the Supreme Council of the Republic of Karakalpakstan, the People's Deputies of the regions and the Councils of Tashkent city, districts and cities, respectively.

In reducing budget expenditures, appropriation of budget funds by budget organizations and recipients of budget funds, as well as accepted legal and financial obligations are taken into account. In this case, the reduction of wages and equivalent payments is carried out in accordance with Article 120 of the Budget Code of the Republic of Uzbekistan .

#### **Article 10. Determining the limited volume of the state debt received on behalf of the Republic of Uzbekistan and under the guarantee of the Republic of Uzbekistan**

The amount of the state debt raised on behalf of the Republic of Uzbekistan and under the guarantee of the Republic of Uzbekistan should not exceed 60% of the annual forecast indicator of the gross domestic product.

For 2022, the limited volume of new agreements to be signed on behalf of the Republic of Uzbekistan (the government of the Republic of Uzbekistan) and under the guarantee of the Republic of Uzbekistan on attracting foreign loans is 4.5 billion US dollars, including the support of the State budget of the Republic of Uzbekistan, including the deficit of the State budget of the Republic of Uzbekistan. for financing - 2.5 billion US dollars, for financing investment projects - 2.0 billion US dollars.

For 2022, the limited net volume of government securities issued on behalf of the Republic of Uzbekistan should be set at 6.0 trillion soums. In this case, the government securities of the Republic of Uzbekistan issued during the financial year and extinguished in the current year are not included in the limited net amount.

#### **Article 11. Determining the limited amount of the deficit of the consolidated budget of the Republic of Uzbekistan**

The limited amount of the deficit of the consolidated budget of the Republic of Uzbekistan for 2022 should be set at 3 percent of the gross domestic product.

Additional expenses that may lead to an increase in the limited amount of the deficit of the consolidated budget of the Republic of Uzbekistan are carried out only when there is an additional source of income or at the expense of reducing other expenses.

From 2023, the upper limit of the deficit of the consolidated budget of the Republic of Uzbekistan should not exceed 3% of the annual forecast indicator of the gross domestic product.

### **Chapter 3. Peculiarities of regulating budget relations**

#### **Article 12. Specific features of revenue formation of the budget of the Republic of Karakalpakstan, local budgets of regions and Tashkent city, budgets of districts and cities for 2022**

The following types of taxes are transferred to the district and city budgets in full:

property tax collected from natural persons;

land tax collected from natural persons;

taxes paid by natural persons on the basis of the declaration of income from the rental of property, as well as income tax collected from natural persons paid by individual entrepreneurs;

tax for the use of water resources, excluding the tax paid by power plants;

tax for the use of the ground for construction materials.

The following will be transferred in full to the republican budget of the Republic of Karakalpakstan, to the regional budgets of the regions and to the city budget of the city of Tashkent:

tax imposed on the property of legal entities;

land tax collected from legal entities;

tax for the use of water resources paid by power plants;

excise tax on sale of gasoline, diesel fuel and gas to final consumers;

turnover tax;

state duties in the amounts established by legislation (except for patent duties and state duties for issuing licenses);

finances charged to the State budget of the Republic of Uzbekistan in the amounts established by legislation;

fees for the right to retail trade of certain types of goods;

other fees charged to the State budget of the Republic of Uzbekistan in the amounts established by legislation (except for the fees charged by customs authorities and the disposal fee for wheeled vehicles, used cars and their trailers, as well as the payment for issuing permission to change (darken) the color of vehicle rims);

proceeds from the sale of property transferred to state income, dividends (income) and allocations according to the share of local government bodies in the amounts established by legislation;

revenues received from the placement, use (lease) and sale of state assets in accordance with the norms established by the legislation;

As of July 1, 2021, according to the percentage of the population of the Republic of Karakalpakstan, the regions and the city of Tashkent, according to the percentage of the population of the republic.

In the following shares to the republican budget of the Republic of Karakalpakstan, the regional budgets of the regions and the city budget of the city of Tashkent:

63% of income tax revenues from natural persons (excluding income tax from natural persons paid by natural persons based on the declaration of annual income from leasing property, as well as paid by individual entrepreneurs) in Navoi region, 42% in Tashkent region, 5% in Tashkent city, Karakalpakstan 100 percent in the Republic of Kazakhstan and other regions;

income from profit tax (except for the profit tax paid by large taxpayers according to the list approved by the decision of the President of the Republic of Uzbekistan, non-residents of the Republic of Uzbekistan operating through a permanent establishment in the Republic of Uzbekistan, as well as from the income of non-residents withheld at the source of payment) is 63 percent in Navoi region, 63 percent in Tashkent region 40 percent, 5 percent in Tashkent, 100 percent in the Republic of Karakalpakstan and other regions.

The Supreme Council of the Republic of Karakalpakstan, People's Deputies of the regions, Tashkent City Councils:

to distribute taxes and other types of income (including the income specified in the first and second parts of this article) and inter-budget transfers allocated to local budgets of the appropriate level;

to direct the proceeds of tax on the property of legal entities and land tax collected from legal entities to the budgets of districts and cities;

has the right to give a part of the funds obtained from exceeding the revenue forecast to the budgets of districts and cities for the implementation of social and economic development programs of the regions.

Councils of People's Deputies of districts and cities have the right to include coefficients increasing up to the amounts established for the city of Tashkent to the minimum rates of rent for individuals renting property in certain areas of districts and cities specialized in mass recreation and (or) tourism.

If the legislation does not take into account the allocation of revenues to local budgets, this type of revenue will be transferred to the republican budget of the Republic of Karakalpakstan, the

regional budgets of the regions, and the city budget of Tashkent city.

By July 1, 2022, state enterprises and legal entities with a state share of 50% or more in the charter capital will receive at least 50% of their net profit for the year 2021, and gold mining companies will receive 100% of their net profit and state share. are considered dividends and will be transferred to the budgets of the relevant level no later than September 1, 2022.

The Ministry of Finance of the Republic of Uzbekistan has the right to determine the amount and frequency of payment of dividends (distributions from net profit) for 2022 by state enterprises and legal entities with a 50% or more state share in the charter capital, as well as their constituent enterprises.

### **Article 13. Peculiarities of implementation of State budget expenditures of the Republic of Uzbekistan in 2022**

Financing of additional measures implemented at the initiative of local government bodies is carried out only at the expense of additional resources of the budget of the Republic of Karakalpakstan, regions and local budgets of Tashkent city, districts and cities.

The chairman of the Council of Ministers of the Republic of Karakalpakstan, the governors of the regions and Tashkent city, districts and cities form their respective budgets, taking into account the planning of expenses for wages and equivalent payments, food, medicine and utilities.

At the end of the quarter, if the forecast indicators of income listed in Appendix 6 of this Law are not fulfilled by more than 5% due to reasons not related to the activities of local executive authorities, and there is no possibility of receiving these funds by the end of the fiscal year, the Council of Ministers of the Republic of Karakalpakstan, the Cabinet of Ministers of the regions and Tashkent city governments shall approve the expenses. along with the measures taken, the regulator will apply to increase the amount of inter-budget transfers, and this proposal will be considered by the Cabinet of Ministers in accordance with the procedure established by this Law. Governors of districts and cities apply to the Council of Ministers of the Republic of Karakalpakstan, regional and Tashkent authorities in the same manner.

In 2022:

Expenditures on capital expenditures for the design, construction (reconstruction), complete repair and equipment of general secondary education organizations, pre-school education organizations, healthcare institutions and drinking water supply system facilities of the city of Tashkent from the city budget of the city of Tashkent;

Designing, construction (reconstruction), complete repair and equipping of facilities of general secondary education institutions, pre-school educational institutions, healthcare institutions of the Republic of Karakalpakstan and regions, as well as coordinating the design, construction (reconstruction), complete repair of facilities within the framework of measures to improve the meliorative condition of irrigated lands. expenses related to repair and restoration from the republican budget of the Republic of Karakalpakstan and from the regional budgets of the regions;

expenses related to the payment of fees for legal assistance provided by lawyers from the republican budget of the Republic of Karakalpakstan, from the regional budgets of the regions and from the city budget of the city of Tashkent;

The expenses related to the repair of the areas adjacent to the multi-apartment housing fund and the complete repair of the heating networks and boiler equipment of the heat supply organizations included in the system of the Ministry of Housing and Communal Services of the Republic of Uzbekistan are financed from the republican budget of the Republic of Karakalpakstan, the regional budgets of the regions, and the city budget of the city of Tashkent.

The prices (tariffs) set for heat supply services provided by all heat supply organizations in the territories are according to the conclusions of the territorial bodies of the Anti-Monopoly Committee of the Republic of Uzbekistan, after approval by the Council of Ministers of the Republic of Karakalpakstan with the respective decisions of the Supreme Council of the Republic of Karakalpakstan, people's deputies of the regions and Tashkent City Councils. approved by the chairman, governors of regions and Tashkent city.

According to the results of revision of the prices (tariffs) regulated for heat supply services during the year, the demand for additional funds to compensate the losses suffered by the heat supply organizations as a result of the application of reduced tariffs to the population. is covered by the account.

5% of the approved expenses of the budgets of all districts and cities (excluding the funds of the reserve fund) will be directed to the financing of events formed on the basis of public opinion.

At least 30 percent of the additional resources of the budgets of all districts and cities will be directed to finance activities formed on the basis of public opinion.

Chapter 4. Final rules

Article 14. Liability for violation of the Law of the Republic of Uzbekistan "On the State Budget of the Republic of Uzbekistan for 2022".

Persons guilty of violating the Law of the Republic of Uzbekistan "On the State Budget of the Republic of Uzbekistan for 2022" shall be liable in accordance with the established procedure.

Article 15. Ensuring the implementation, delivery, essence and importance of this Law

The Cabinet of Ministers, together with the relevant ministries and agencies, should ensure the implementation of this Law, its delivery to the executives, and the explanation of its essence and importance among the population.

Article 16. Alignment of legislation with this Law

Cabinet of Ministers:

align government decisions with this Law;

ensure that public administration bodies revise and cancel their normative legal acts that are contrary to this Law.

Article 17. Entry into force of this Law

This Law will enter into force on January 1, 2022.

President of the Republic of Uzbekistan Sh. MIRZIYOEV
