(1) of the aforementioned law, the fixed-sum mandatory medical assistance insurance premium is set at 1014 lei, if they are not simultaneously part of the categories of payers provided for in point 1 letter b)–f), points 2 and 2¹ of annex no. 2 to the said law.

(4) For the natural persons provided for in point 1 letter d¹) from annex no. 2 to Law no. 1593/2002 regarding the size, manner and terms of payment of compulsory health care insurance premiums, who pay the premium within the term established in art. 22 para. (1) of the mentioned law, the fixed-sum mandatory medical assistance insurance premium is set at 1,622 lei, if they are not simultaneously part of the categories of payers provided for in point 1 letter b)–d), e) and f), points 2 and 2¹ of annex no. 2 to the said law.

(5) For the natural persons provided for in point 1 letter b)–d), e) and f), points 3 and 4 of annex no. 2 to Law no. 1593/2002 regarding the size, manner and terms of payment of compulsory health care insurance premiums, as well as for citizens of the Republic of Moldova who are not part of the categories of payers provided for in the aforementioned law, who pay the premium within the term established in art. 22 para. (1) of the mentioned law, the fixed-sum mandatory medical assistance insurance premium is set at 2,028 lei.

(6) For the natural persons provided for in points 2 and 2¹ of annex no. 2 to Law no. 1593/2002 regarding the size, manner and terms of payment of compulsory health care insurance premiums, who pay the premium within the term established in art. 22 para. (1) of the mentioned law, the fixed-sum mandatory medical assistance insurance premium is set at 4056 lei.

(7) Citizens of the Republic of Moldova who are not part of the categories of payers provided by Law no. 1593/2002 regarding the size, manner and terms of payment of compulsory health insurance premiums and which, after the term established in art. 22 para. (1) from the mentioned law, I provide proof of being abroad of the Republic of Moldova for a period of more than 183 calendar days during the budget year, I obtain the status of an insured person in the system of compulsory health care insurance after full payment of the insurance premium in the amount established at para. (2) of this article.

(8) Individuals who pay the mandatory medical assistance insurance premium in a fixed amount in the amount and under the conditions established in paragraph (2)–(7) of this article obtain the status of insured person in 2023 from the date of payment of the insurance premium until December 31, 2023.

Art. 5. – By derogation from the provisions of art. 6 para. (3) lit. a) and art. 10 para. (2) lit. d) and para. (3) from Law no. 1585/1998 regarding the mandatory medical assistance insurance, in the case of persons who do not have a state identification number (IDNP), information regarding:

a) employment relationships for the establishment of social and medical rights, according to the form and method approved by the Ministry of Finance, by employers, within up to 10 working days from the date of employment or modification/termination of employment relationships, issuance of the order granting child care leave or paternity leave;

b) the registration and deletion of the person by the institutions authorized to keep the nominal record of the categories of persons insured by the Government, in the form of the nominal record lists of unemployed persons, insured by the Government, according to the model approved by the National Medical Insurance Company.

Art. 6. – (1) The financial resources accumulated in the single account of the National Medical Insurance Company, including those that exceed the estimated annual income, as well as the amounts of penalties and pecuniary sanctions, with the exception of the amounts with a special destination, are allocated to the insurance funds mandatory medical assistance according to the percentages established by the legislation.

(2) After reaching the expenditure ceilings provided for the reserve fund of the mandatory medical assistance insurance, the fund of prophylaxis measures, the fund for the development and modernization of public medical service providers and for the administration fund of the mandatory medical assistance insurance system, the accumulated financial means are fully transferred to the fund for the payment of medical and pharmaceutical services (the basic fund).

(3) The financial means of the temporarily available mandatory healthcare insurance funds, including the balance at the beginning of the budget year, can be used during the budget year to cover the temporary cash gap, to be restored by the end of the year.

Art. 7. – By way of derogation from annex no. 2 to this law, in the case of the need to redistribute the financial means between the sub-programs of the fund for the payment of medical and pharmaceutical services (the basic fund) during the year, this can be done by the decision of the Council of the administration of the National Medical Insurance Company, without amending this law, within the limit of 2% of the annual amount of the basic fund.

Art. 8. – The bank that services the accounts of the mandatory medical assistance insurance funds pays the interest related to the balances of the accounts, the amount of which is established by the contract, but which will not be below the weighted average interest rate in the banking system on term deposits attracted by banks of up to one month, calculated from the average rates available for the last 3 months. This interest is transferred monthly to the single account of the National Medical Insurance Company.

Art. 9. – (1) The commissions for the collection services of compulsory medical assistance insurance premiums in a fixed amount, paid by the persons who insure themselves individually with the compulsory medical assistance insurance funds, are paid from the state budget on basis of the contract concluded between the Ministry of Finance and payment service providers.

(2) The commissions specified in para. (1) will be returned to the state budget from the mandatory medical assistance insurance funds based on the contract concluded between the Ministry of Finance and the National Medical Insurance Company.

THE PRESIDENT OF PARLIAMENT Igor GROSU
