State budget for 2023 approved

 27.12.2022

|

 371

At the 36th plenary session of the Senate, the Law “On the State Budget of the Republic of Uzbekistan for 2023” was considered.

This Law establishes the summary parameters of the consolidated budget of the Republic of Uzbekistan for 2023 and budget targets for 2024-2025.

As noted, according to the Law, the parameters of the State budget were calculated based on the fact that in 2023 the growth rate of gross domestic product in the economy of our country will be 5.3 percent, and the consumer price index – 9.5 percent. compared to December 2022

It is expected that the revenues of the Consolidated Budget of the Republic of Uzbekistan in 2023 will amount to 310.7 trillion soums, and expenditures – 343.2 trillion soums. According to the law, for 2023, the limit of new agreements to be signed on behalf of the Republic of Uzbekistan (the government of the Republic of Uzbekistan) and under the guarantee of the Republic of Uzbekistan to attract external debts is set at \$4.5 billion.

State budget expenditures in 2023 (including transfers to state special funds) amount to 257.7 trillion soums, 24.1 percent of GDP.

The senators paid serious attention to the amount of funds allocated for the social sphere of the State budget. As mentioned, expenditures in education amount to 58.4 trillion soums, in healthcare - 28.4 trillion soums, in culture - 2.5 trillion soums, in sports - 2.3 trillion soums, in 2023 for further development - 1.8 trillion soums. sciences determined the direction of the sum.

In the State Budget for 2023, 18.1 trillion soums will be allocated to finance priority areas of social protection of the population.

At the same time, it is planned to pay subsidies in the amount of 1.1 trillion soums from the State budget to cover part of the down payment and interest on mortgage loans to more than 52,000 citizens who do not have high incomes and need to improve their living conditions. terms next year.

The expenditures planned to be directed to the economy amount to 36.7 trillion soums, 3.4 percent of GDP, 14 percent of total expenditures, they are planned to be directed to finance expenditures.

This Act was approved by members of the Senate.
